Bricchet - Glera igt

Sparkling... Naturally

0.75/1.5 l – crown cap

ALCOHOL: 11% vol.

RESIDUAL SUGAR: 1 g/l

Total SO₂: 40-50 mg/l

ACIDITY: variable, depends on the vintage, often below 5 g/l

Bricchet is a sparkling wine which gets its effervescence from the natural second fermentation in the bottle, it is produced from a small selection of Glera grapes harvested from an ancient vineyard passed to us by a local old man.

Indeed, the wine gets its name from the vineyard's old owner.

The low fertility soil produces grapes with a more concentrated ripening in terms of sapidity and aroma.

The stony soil enables the production of a refined and light wine which evolves to take on minerally characteristics over time.

GOES WELL WITH: fish and first courses.

SILTY-STONY SOIL

ANCIENT VINEYARD SITUATED ON MOUNTAIN SLOPES AT AN ALTITUDE OF 400 m.

NO HERBICIDES, COMPLETELY MANUAL PRODUCTION PROCESSES.
